

<b>M.I. Number</b>	<b>COUNCIL (TTW) – 33319 – 012</b>
<b>Date Issued:</b>	9 April 2025
<b>Unit Standard:</b> Number, title, version	This moderators' interpretation covers the following unit standard:  33319 - <i>Instruct how to provide basic life support</i> , Level 2 2 Credits – version 1.
<b>Issue:</b>	Unit Standard 33319 has not been registered as a pre-requisite for 6401.
<b>Interpretation:</b>	The intent is to have unit standard 33319 as a replacement for unit standard 6402, for people unable to physically complete CPR.  Allowing unit standard 33319 in place of 6402 will enable First Aid certification to be issued.
<b>Action Required:</b>	Allows assessment of Unit Standards 33319 and 6402 to award first aid certification listing these unit standards.
<b>Status</b>	<b>Effective 9 April 2025</b>
<b>Resolution:</b>	Providers assessing Unit Standards 33319 and 6402, can award First Aid certification listing these unit standards.
<b>Expiration:</b>	On NZQA approval of the revised unit standard.
